

CURRICULUM VITAE

ANASTASIA CHARALAMPI

November 2023

CONTACT DETAILS Anastasia Charalampi

📍 Lambrou Katsoni 5a, Kifissia, 14561, Attica (Greece)

☎ +30 6948886716

✉ natashaharal@yahoo.gr, acharalampi@panteion.gr

Date of birth: 15/05/1989

**ACADEMIC
QUALIFICATIONS**

6/2018 Ph.D., Department of Social Policy
Panteion University of Social and Political Sciences, School of
Political Science
Title of doctoral dissertation: *The importance of items' level of
measurement in investigating the structure and assessing the
psychometric properties of multidimensional constructs*
Counseling committee:
Catherine Michalopoulou, Professor (Supervisor)
Clive Richardson, Professor
Maria Symeonaki, Associate Professor

2012-2014 Master's degree, Department of Social Policy
Panteion University of Social and Political Sciences, School of
Political Science
Postgraduate degree course: Social Policy: Methods and
Applications
Specialisation course: Social Protection and Social Cohesion
Title of master thesis: *Investigating the dimensionality of the
Schwartz scale of human values: Evidence from the European
Social Survey of 2002 for Greece and Slovenia*
Catherine Michalopoulou, Professor (Supervisor)
Clive Richardson, Professor
Maria Symeonaki, Associate Professor

2007-2011 Bachelor's Degree, Department of Political Science and Public
Administration
National and Kapodistrian University of Athens, School of
Economics and Political Sciences
Specialization cycle of courses: Administrative Science

APPOINTMENTS

10/2022-9/2023 Adjunct Lecturer (Academic scholarship), Department of Social
Policy
Panteion University of Social and Political Sciences
Operational Programme "Human Resources Development,
Education and Lifelong Learning"

Undergraduate courses (2022-2023):

- Statistics I: Descriptive Statistics
- Statistics II: Sample Survey Theory and Practice
- Statistical Inference

10/2021-9/2022 Adjunct Lecturer (Academic scholarship), Department of Social Policy
Panteion University of Social and Political Sciences
Operational Programme “Human Resources Development, Education and Lifelong Learning”

Undergraduate courses (2021-2022):

- Statistics I: Descriptive Statistics
- Statistics II: Sample Survey Theory and Practice
- Statistical Inference

5/2020-8/2020 Research associate (contract), University Mental Health, Neurosciences, & Precision Medicine Research Institute (UMHRI), Athens, Greece

RESEARCH EXPERIENCE

3/2023 Approval of research proposal titled “Gender discrimination in multiple crises”
Host institution: Panteion University of Social and Political Sciences
Cooperating organization: National Centre for Social Research (NCSR)
Principal Investigator: Maria Stratigaki, Associate Professor of Social Policy
Basic Research Financing Action “Horizontal support of all Sciences”, Sub-action 2, National Recovery and Resilience Plan “Greece 2.0” funded by the European Union – Next generation EU, project promoter Hellenic Foundation for Research and Innovation (HFRI)

11/2023-present Researcher in the research program titled “Resilience, inclusiveness and development: Towards a just green and digital transition of Greek regions - JustReDI” (TAEDR-0537352)
National Centre for Social Research (NCSR), International Hellenic University, “Athena” RC, National Observatory of Athens, University of West Attica and καί Hellenic Centre for Marine Research
Scientific coordinator: Nicolas Demertzis, Professor, National and Kapodistrian University of Athens
Description: Qualitative and quantitative research
National Recovery and Resilience Plan “Greece 2.0”, Action “Promotion of basic and applied research with code 16618
Co-financed by Greece and the European Union.

- 5/2022-present** Postdoctoral Fellow, Department of Social Policy
Panteion University of Social and Political Sciences, School of Political Science
Title of postdoctoral research: *Investigating the comparability of constructs overtime: The case of wellbeing measurements in the European Social Survey, 2006 and 2012*
Catherine Michalopoulou, Professor (supervisor)
- 5/2022-9/2022** Researcher in the research program “Safe At Work”
Panteion University of Social and Political Sciences, School of Political Science
Scientific coordinator: Maria Stratigaki, Associate Professor of Social Policy
Description: Quantitative research, participation in the design and statistical analysis of the questionnaire
Grand agreement between grant administrator “BODOSSAKI FOUNDATION” and project promoter “ACTIONAID HELLAS”.
- 6/2021-10/2021** Researcher in the research program “Harassment in the workplace of the public sector”
Koinoniko Polykentro of the Greek Civil Service Confederation (ADEDY)
Scientific coordinator: Maria Stratigaki, Associate Professor of Social Policy
Description: Quantitative research, statistical analysis of the questionnaire
Co-financed by Greece and the European Union (European Social Fund- ESF) through the Operational Programme “Reform of the Public Sector 2014-2020”.
- 6/2020-8/2021** Researcher in the research program “Greece and Southern Europe: Investigating political trust to institutions, social trust and human values, 2002-2017”, MIS 5049524
National Centre for Social Research (NCSR)
Academic Advisor: Joanna Tsiganou, Director of Research, NCSR and Associate Academic Advisor: Catherine Michalopoulou, Professor, Panteion University of Social and Political Sciences
Co-financed by Greece and the European Union (European Social Fund- ESF) through the Operational Programme “Human Resources Development, Education and Lifelong Learning 2014-2020”.
- 12/2018-1/2022** Postdoctoral Fellow, Department of Social Policy
Panteion University of Social and Political Sciences, School of Political Science
Title of postdoctoral research: *Investigating the theoretical structure and assessing the psychometric properties of the wellbeing measurement: Evidence from the European Social Survey, 2006 and 2012*
Catherine Michalopoulou, Professor (supervisor)
- 11/2018-2/2019** Participation in the European pilot survey Eurograduate

Panteion University of Social and Political Sciences

Description: The Eurograduate survey is a one-off pilot survey of recent graduates in 8 European countries, which aims to lay the ground for a sustainable European-wide graduate survey. Research into graduate pathways is important for guiding higher education institutions in assessing and improving their programmes and teaching methods. The information also helps future students make better choices regarding their studies and career plans. Decision makers will also be better informed when making funding and legislative decisions.

5/2016-7/2016 Participation in the European research program Negotiate (Horizon 2020)

The University of Basel, Seminar für Sociologie

Description: Development of a data base with open job positions in 5 occupational sectors, recruiter contacts under the Swiss part of the project “Negotiating early job-insecurity and labour market exclusion in Europe” NEGOTIATE, H2020 funded under State Secretariat for Education, Research and Innovation (SERI).

1/2015-4/2015 Independent Contractor

National Centre for Social Research (NCSR)

Scientific coordinator: Manolis Chrysakis, Director of Research, NCSR

Description: Preparation and writing of a guide for Social Accounting and Audit (SAA) and Social Return on Investment (SROI) in order to measure the performance of Community Enterprises.

1/2014-4/2014 Volunteer

University Mental Health Research Institute

Scientific coordinator: Anna Kokkevi, Emeritus Professor at University of Athens

Description: Participation in the “Health Behaviour in School-aged Children” (HBSC) research study

1/2012-5/2012 Trainee

National Hellenic Research Foundation, Institute of Historical Research

Scientific coordinator: Leonidas Kallivretakis, Research Director, Section of Neohellenic Research

Description: Participation in the “Documentation of Political and Social History of the 20th century” research programme of the Institute of Historical Research of the National Hellenic Research Foundation.

LECTURES

7/12/2022 Panteion University of Social and Political Sciences
Visiting lecturer in the Master “Criminology”, Department of Sociology, course “Methodology of Criminal Investigation”,

instructor: Dr. Ioanna Tsiganou, Research Director at the National Centre for Social Research. Lecture title: “Introduction to measurement and the typology of levels of measurement”.

29/3/2021 Panteion University of Social and Political Sciences
Visiting lecturer in the undergraduate course “Methods of data analysis in quantitative social research”, Department of Social Anthropology, instructor: Dr Aggeliki Yfanti, Adjunct Lecturer. Lecture title: «Introduction to SPSS and frequency distributions».

16/12/2020 Panteion University of Social and Political Sciences
Visiting lecturer in the Master “Criminology”, Department of Sociology, course “Methodology of Criminal Investigation”, instructor: Dr. Ioanna Tsiganou, Research Director at the National Centre for Social Research. Lecture title: “Introduction to measurement during the research process”.

27/11/2020 Panteion University of Social and Political Sciences
Visiting lecturer in the undergraduate course “Methods of data collection in quantitative social research”, Department of Social Anthropology, instructor: Dr Aggeliki Yfanti, Adjunct Lecturer. Lecture title: “Levels of measurement and attitude measurement scales”.

TEACHING SEMINARS

21/5/2019 Teaching a two hours seminar titled “Wellbeing and unemployment” at the Contemporary Popular University (SYLAP) of the Municipality of Nea Smirni as part of the action plan of long life adult education.

International Conferences

- Charalampi, A. & Michalopoulou, C. (2024). Modeling functioning as a determinant of wellbeing: A mediation analysis. Paper accepted for presentation at the 8th Stochastic Modeling Techniques and Data Analysis (SMTDA) International Conference and Demographics 2024 Workshop, Hybrid Conference, Chania, June, 4-7.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2023). Exploring measurement invariance: Political trust in national institutions across social groups. Paper presented at the 20th Conference of the Applied Stochastic Models and Data Analysis (ASMDA) International Society and Demographics 2023 Workshop, Hybrid Conference, Heraklion, June, 6-9.
- Charalampi, A. & Michalopoulou, C. (2022). Testing measurement invariance when items are interval: The case of political trust to national institutions. Paper presented at the European Sociological Association (ESA) RN21 Midterm Conference “Quantitative Methods and the Covid-19 Pandemic”, Salamanca, October, 5-7.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2022). Exploring cross-national comparability of unidimensional constructs. Paper presented at the 7th Stochastic Modeling Techniques and Data Analysis (SMTDA) International Conference and Demographics 2022 Workshop, Hybrid Conference, Athens, June, 7-10.
- Charalampi, A., Tsouparopoulou, E., Tsiganou, J., & Michalopoulou C. (2021). Investigating the structure of political trust to national institutions: Evidence from the 2016 European Social Survey for Southern Europe. Paper presented at the 10th International Conference on Social Science Methodology (RC33): Logic and Methodology in Sociology of the International Sociological Association, Online Conference, September, 7-10.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2021). Investigating Functioning as a Determinant of Wellbeing and its Relation to Employment Status: Evidence from the European Social Survey, 2006. Paper presented at the 15th Conference of the European Sociological Association, Online Conference, August-September, 31-3.
- Charalampi, A., Tsouparopoulou, E., Tsiganou, J., & Michalopoulou C. (2021). Political trust to national institutions: The significance of items’ level of measurement in the validation of constructs. Paper presented at the 19th Conference of the Applied Stochastic Models and Data Analysis (ASMDA) International Society and Demographics

2021 Workshop, Virtual Conference, June, 1-4.

- Charalampi, A., Michalopoulou, C., & Richardson, C. (2020). Examining items' appropriateness as marker indicator in measurement invariance testing. Paper presented at the 6th Stochastic Modeling Techniques and Data Analysis (SMTDA) International Conference and Demographics 2020 Workshop, Virtual Conference, June, 2-5.
- Yfanti, A., Charalampi, A., & Michalopolou, C. (2020). Assessing the performance of the European Socio-economic Classification (ESeC) in eight European countries for 2018. Paper presented at the 6th Stochastic Modeling Techniques and Data Analysis (SMTDA) International Conference and Demographics 2020 Workshop, Virtual Conference, June, 2-5.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2019). Psychometric validation of constructs defined by ordinal-valued items. Paper presented at the 18th Conference of the Applied Stochastic Models and Data Analysis (ASMDA) International Society and Demographics 2019 Workshop, Florence, June, 11-14.
- Charalampi, A., Michalopoulou, C., & Yfanti, A. (2018). Investigating the comparability of the 2006 and 2012 ESS measurement of wellbeing. Paper presented at the European Sociological Association (ESA) RN21 Midterm Conference "Potentials and Limits of Quantitative Research in the Social Sciences", Cracow, October, 3-6.
- Yfanti, A., Michalopoulou, C., & Charalampi, A. (2018). Europeans' perceptions of their employment status and the ILO conventional definitions. Paper presented at the European Sociological Association (ESA) RN21 Midterm Conference "Potentials and Limits of Quantitative Research in the Social Sciences", Cracow, October, 3-6.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2018). Determining the structure and assessing the psychometric properties of multidimensional scales constructed from ordinal and pseudo-interval items. Paper presented at the 5th Stochastic Modeling Techniques and Data Analysis (SMTDA) International Conference and Demographics 2018 Workshop, Chania, Crete, Greece, June, 12-15.
- Charalampi, A., Michalopoulou, C., & Yfanti, A. (2017). Investigating the structure of the 2006 European Social Survey of wellbeing. Paper presented at the 13th Conference of the European Sociological Association, Athens, August-September, 29-1.
- Yfanti, A., Michalopoulou, C., & Charalampi, A. (2017). The impact of applying alternative definitions to the European Union Labour Force Survey measurement of the unemployment rate for Southern Europe 2008-2014. Paper presented at the 13th Conference of the European Sociological Association, Athens,

August-September, 29-1.

- Pappa, A., Ginieri – Coccossis, M., Richardson, C., Charalampi, A., Liappas, I., & Paparrigopoulos, T. (2015). Measuring quality of life of an alcohol dependent population: Validation of the Greek version of the AIQoL-9 scale. Poster presented at the 4th East Psychiatric Congress & 3rd Preventive Psychiatry International Congress, Athens November, 12-15.
- Charalampi, A., Michalopoulou, C., & Richardson, C. (2015). Investigating the structure of Schwartz's Human Values Scale. Paper presented at the 16th Conference of the Applied Stochastic Models and Data Analysis (ASMDA) International Society and Demographics 2015 Workshop, Athens, June-July, 30-4.
- Charalampi, A. (2014). Investigating the dimensionality of the Schwartz scale of human values: Evidence from ESS of 2002 for Greece. Poster presented at the Human Development & Capability Association (HDCA) 2014 Conference, Athens, September, 2-5.

**Regional
and
National
Conferences**
